Purpose

To establish guidelines for the allocation and management of athletic fields permitted by Clark County Parks and Recreation.

Policy

Clark County Parks & Recreation will coordinate and allocate the use of its athletic fields for County and non-county organizations to hold league play, practice, tournaments, and other sport-related special events. Athletic Fields are allocated and permitted in two, 6-month increments. The first is January through July and then August through December. The Recreation Division will monitor proper use of allocations and permits. Priority will first be given to Clark County Parks & Recreation Sports Programs, Clark County Special Events and non-profit youth organizations. Due to increased demand, athletic fields will then be allocated based on priority as listed below. This does not guarantee that every organization will receive the fields they request. Clark County Parks and Recreation reserves the right to increase/decrease the number of fields assigned to an organization based upon prior usage, the need to accommodate new organizations, demographics and the unavailability of fields due to maintenance. Field permits will not be issued for use on Christmas Day (December 25) or Independence Day (July 4).

Allocation Priority:

1. Clark County and School District fields will be allocated based on the following priority:

- A. Clark County Parks & Recreation Programs
 - B. Youth Non-Profit Sports Organizations
 - C. Youth Non-Profit Tournaments/Clinics
 - D. Adult Non-Profit Sports Organizations
 - E. Youth Commercial Tournament/Clinic
 - F. Adult Commercial Tournament/Clinic/League
- * To qualify as a Non-Profit user, the organization must be registered as a not-for-profit corporation with the State of Nevada. Non-Profit Organizations are those organizations that have evidence of Federal 501 c filing and state non-profit status
 - * Returning organizations that are in good standing will have priority over new groups.

Organizations may be granted field use upon verification of Non-Profit status (defined above), proof of liability insurance of specified amount determined by CCPR, and national or state affiliation with an organization recognized for that sport. The purpose of this requirement is to verify that your organization has a governing body, which oversees the facilitation of your league(s). Organizations will also be required to provide a practice/game schedule as proof that the organization is conducting a league in order to receive the league organization rate. Organizations that do not meet all of these requirements will not receive a field allocation, but may be allowed to receive fields for use under hourly rates or For-Profit fees schedule as outlined in the Fees and Charges adopted by the Clark County Board of Commissioners, providing they meet requirements regarding liability insurance.

2. Permit/Allocation Procedures

1. All state/national organizations must submit a *Field Allocation Request Form* by April 15 for the August through December allocation period and by October 15 for the January through July allocation period.
2. All organizations must submit a *Business Licensing Form* 30 days prior to the allocation period.
3. All allocation requests must have accurate start/end dates. Fields will be allocated for time frames that coincide with season play only.
4. Game and practice schedules are required to be submitted to the allocation office no later than one week prior to the start of requested use.
5. Payment in full is required one week prior to the start of requested use. Unpaid fees will result in the loss of field use.

A permit will be issued to all authorized users of a CCPR sports field. Organizations receiving allocations will receive a permit upon receipt of current season schedule for allocated field(s). Charges will be assessed by using the current Fees and Charges Schedule adopted by the Clark County Board of Commissioners. Fees and/or deposits must be paid prior to season or tournament play.

3. Drop-In Rental Permits

1. Fields/courts will be available for drop-in use based on the availability and on a first-come, first-served basis. Drop in permits may be obtained on the last Wednesday of each month for the following month and will only be issued for 1 month at a time.
2. Same day/evening permit requests must be made by noon of that day.
3. Reservations for field/court use for an upcoming weekend (Friday evening, Saturday, and Sunday) must be made no later than Friday by 11:00 A.M. of the same week.
4. Groups will be able to secure a field/court permit on an hourly basis for up to 3 hours. Rentals lasting longer than 3 hours will result in a full day rental charge. The rental of multiple volleyball courts on the same day, which exceed 3 hours total, will be charged a full day rental fee.

4. Liability Insurance

Facility user shall secure and maintain, throughout the period of use contemplated under this agreement, general liability insurance with policy limits of \$2,000,000 aggregate and \$1,000,000 per occurrence naming Clark County, Nevada, C/O Purchasing and Contracts Division (see sample certificate, pg. 9) as additional insured. FACILITY USER agrees to hold Clark County harmless and free from any liability of any nature arising out of the use of County recreational facilities and to include reimbursement of any legal costs and fees incurred in defense of such claims. This policy must be provided prior to receiving a permit for allocated fields.

5. Notice of Non-Use of Field

Any organization that has been allocated fields and does not intend to use them as permitted, shall notify the Allocation Office so that the field(s) can be re-allocated to allow other organizations the opportunity to utilize the fields. Failure to comply with this non-use of a field procedure may also result in revocation of allocated field(s). Clark County Refund Policy applies to all Non-Used Fields.

6. Permit Cancellation

Clark County Parks & Recreation may cancel the use of County fields for any of the following:

- ☐ Work/renovations involving any of the facilities.
- ☐ Clark County Special Events or special tournament requests.
- ☐ When the health and safety of participants are threatened due to impending conditions, including but not limited to, heavy rains, severe heat warnings, pesticide spraying, and/or high winds.
- ☐ Non-adherence to *Athletic Field Use and Allocation Policy* or any County ordinance.

7. Tournaments/Athletic Special Event

Clark County Parks & Recreation may provide field space to organizations desiring fields for tournaments. Tournament/Athletic Special Event requests follow the same timeline as allocations. Other tournaments may be added dependent upon field availability after each allocated organization has been given its permit.

- A. Organizations must submit a *Tournament Reservation Form* (available online).
- B. Organizations are required to pay in full no later than one week prior to tournament/event, and must provide general liability insurance naming Clark County as additionally-insured.
- C. Organizations are required to inform the Sports Office of cancellations no less than 10 days prior to the requested date. Failure may result in cancellation fees.
- D. Organizations must submit a *Business Licensing Form* a minimum of 30 days prior to the scheduled tournament/event.
- E. To help maintain the quality of our fields, organizations must pay \$40 per field, per day, for field grooming.
- F. Organizations/Permit Holders are not allowed to collect admission fees into parks/facilities. The park/facility must remain open to everyone.

8. Inclement Weather Field Closures

Clark County Parks & Recreation reserves the right to close any field due to inclement weather. In case of inclement weather, the scheduled field/facilities are not to be used. Be aware that if organizations use the field/facility during inclement weather, your organization will be held responsible for any and all damages that may occur as a result of such use including repair costs and lost revenue due to prolonged closure. It is the user group's responsibility to call the Sports Unit at (702) 455-8241 to verify field closures.

9. Field Maintenance/Renovation

To help maintain the quality and playability of our fields, field closures may be scheduled at certain allocated sites throughout the year to allow for field maintenance and renovation. The County does attempt to be flexible in accommodating user groups, however the health and safety of the user and the condition of the facility takes priority. This could affect any number of fields that are available during the allocation period and may require organizations to use alternative locations.

10. Field Use Exception

The McCarran Market Place fields will be allocated to youth organizations only. No adult use will be granted unless the Allocation Office grants special approval. **NO CLEATS ARE ALLOWED ON MCCARRAN MARKETPLACE FIELDS, TURF SHOES ONLY.**

11. Subletting and Assignment of Athletic Fields

At no time may an organization or individual sublease their assigned fields to other user groups. Organizations not using their fields must notify the Allocation Office to inform the department of any fields not being used. The subletting of any County fields by any user/organization will result in automatic revocation of all permits. Clark County will not allocate fields to this organization in the future.

12. Alcohol Policy

Consumption of alcoholic beverages is strictly prohibited except in designated areas only. It is prohibited to consume alcoholic beverages on roadways, parking lots, stalls, pens, arenas, and at youth events. No glass bottles allowed!

Reserved areas must be left clean and all trash must be put in appropriate trash receptacles. If areas are not left in acceptable conditions, a cleaning/repair service charge will be accessed and billed to the responsible party.

In addition to possible misdemeanor penalties under Clark County Code Section 16.04.080, any violation of a facility rule may result in cancellation of future permits and forfeiture of all service charges. If a business activity is being conducted, civil and/or criminal penalties may apply pursuant to 6.04.010 and 6.04.140.

A letter requesting the sale of alcohol must be submitted a minimum of 60 days in advance of a reservation to the Director of Parks & Recreation. Persons or groups wishing to sell alcoholic beverages must have an Alcohol Caterer's License, or Business License, or temporary Liquor License and provide names of servers with current TAM cards. Under no circumstances can alcohol be served to individuals less than 21 years of age. The sale of alcoholic beverages is strictly prohibited except in designated areas. Individuals in violation of this ordinance will be subject to full prosecution, which may result in future denied usage of any and all Clark County Department of Parks & Recreation facilities.

Please submit letter of request to:

Department of Parks & Recreation
Attn: Director
2601 East Sunset Road
Las Vegas, NV 89120

NOTE: The sale of alcoholic beverages requires a license under Clark County Code, Chapter 8.20.

The location of special equipment (i.e. concession stands, beer trucks, etc.) requires prior approval by the maintenance staff. Parking is permitted only in designated areas. All persons wishing to sell or barter goods other than alcoholic beverages in Clark County facilities must have a mandatory business license for every concession stand; and a Food Handler's Permit from the Clark County Health Department for all food concessions.
